DAI is a charity and we are only able to provide these limited subsidies due to the tremendous hard work of our staff and volunteers nationwide who regularly engage in fundraising activities to generate funds both locally and nationally. Therefore, we encourage, and need, all DAI members to get involved and help support DAI's fundraising events, both at Workshop level and at national level. It is only through your active support and involvement that DAI will be able to continue to provide this much needed support to financially disadvantaged families.
